Supplier A’s quotation (fictional demo data, printed and photographed for the demo)

Hamza Garments, Faisalabad

Exporter · Rs 1 crore cash · Rs 35 lakh a month in costs · no finance team. Needs 80 new machines.

Rs 4,80,000

more than the cash price of Rs 55,20,000

FOUR MISTAKES SMEs KEEP MAKING

1. Not seeing the cost of paying later
2. Missing cheap Islamic financing
3. Ignoring tax
4. Paying cash, then no cash for salaries

AI reads. Code calculates. Owner confirms.

INPUTS

- Quotation photo / PDF
- Roman Urdu replies
- Web prices & reviews
- Company cash & costs
- SBP rate & KIBOR

AI reads & writes

OpenAI

- Reads the quotation photo into fields
- Reads replies like “67 hazar per unit”
- Cleans web listings, reads reviews
- Writes price requests and the memo

→

Code calculates

finance.ts · no AI

- Every rupee: cost of paying later, profit, rentals, PV, tax, runway
- Fraud rules: IBAN checksum, account change, sender domain
- 194 automated tests

→

Owner confirms

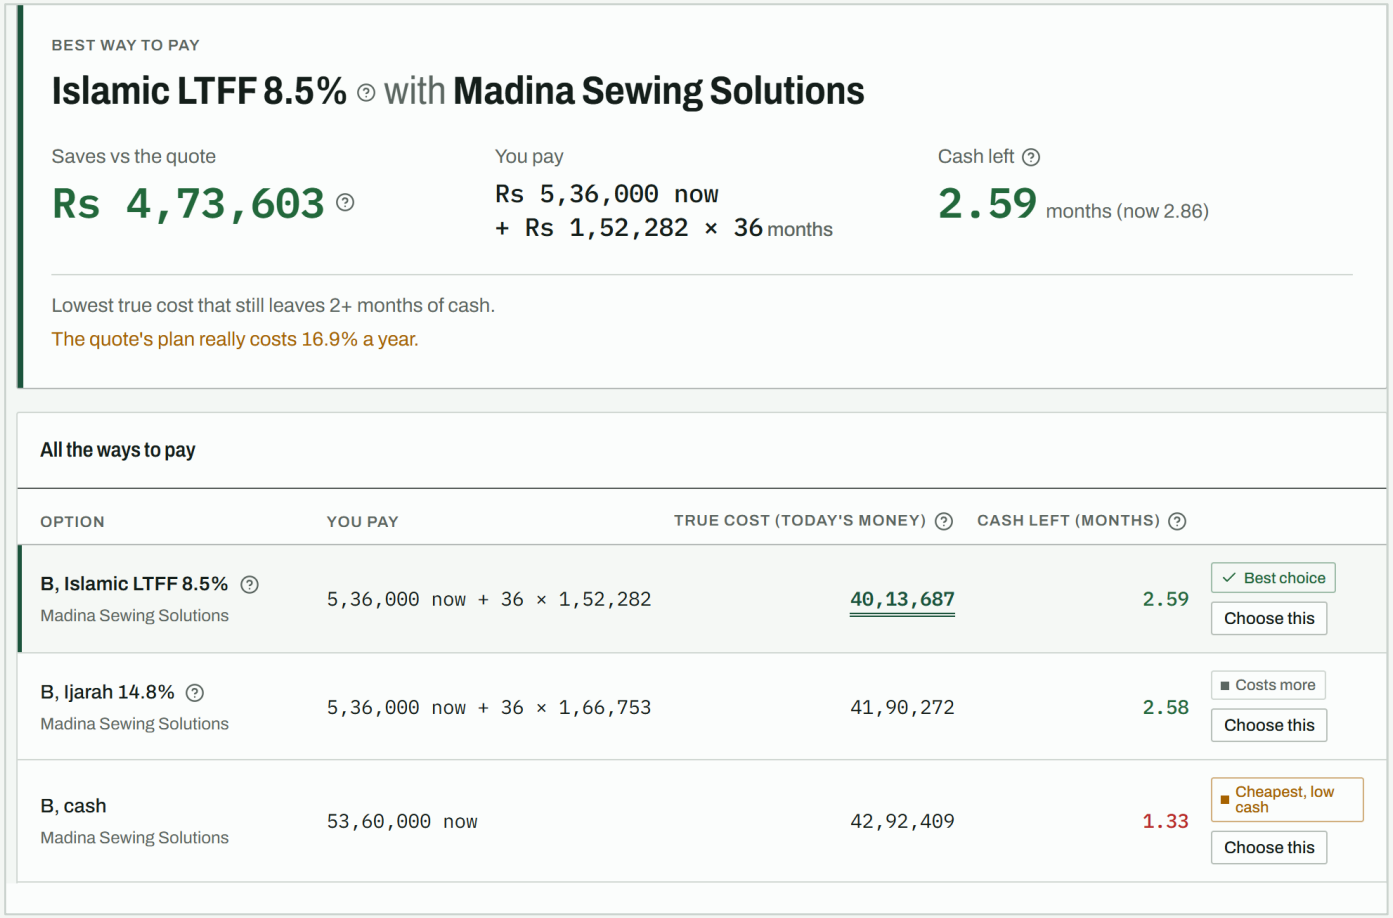

human in the loop

- Every extracted field
- The final choice
- Any new bank account, by phone

Guardrails a price is kept only if it is written in the source · every memo number checked against the calculation · fraud level always from rules

Models gpt-6-luna (vision, reading, writing) · gpt-4.1-nano (fast extraction), chosen by benchmark · ≈ $0.002 per full decision

Every way to pay, compared by code

BEST WAY TO PAY

Islamic LTFF 8.5% with **Madina Sewing Solutions**

Saves vs the quote
Rs 4,73,603

You pay
Rs 5,36,000 now
+ Rs 1,52,282 × 36 months

Cash left
2.59 months (now 2.86)

Lowest true cost that still leaves 2+ months of cash.
The quote's plan really costs 16.9% a year.

All the ways to pay

OPTION	YOU PAY	TRUE COST (TODAY'S MONEY)	CASH LEFT (MONTHS)	
B, Islamic LTFF 8.5% Madina Sewing Solutions	5,36,000 now + 36 × 1,52,282	40,13,687	2.59	✓ Best choice Choose this
B, Ijarah 14.8% Madina Sewing Solutions	5,36,000 now + 36 × 1,66,753	41,90,272	2.58	Costs more Choose this
B, cash Madina Sewing Solutions	53,60,000 now	42,92,409	1.33	Cheapest, low cash Choose this

Live app: the answer first, then every way to pay. The owner can choose any row.

16.9%

a year: the cost of paying later on the “0%” plan

8.5%

SBP Islamic LTFF for exporters: recommended

Blocked

a fake “new bank account” email, before any payment

Shariah-compliant by default

SBP Islamic LTFF — **8.5%**

Exporters, new machinery · SBP policy rate − 3%

Ijarah — **14.8%**

Lease: deposit + rentals · KIBOR + 3%

Diminishing Musharakah — **14.8%**

Co-own, then buy the bank's units · KIBOR + 3%

Murabaha — **preset**

Cost-plus sale, price fixed at the contract

Tax: the correct treatment for each mode.
"0%" plan: a permissible deferred-price sale; we show its yearly cost.
Conventional loans: only on request, labelled, never recommended.
New: a "pay in full when affordable" switch.

WHY NOW

1 Jan 2028

26th Amendment: riba to be eliminated before this date

38.1%

of bank financing in Pakistan is already Islamic

Source: SBP Islamic Banking Bulletin, Dec 2025

What one decision is worth

5.8 lakh

rupees saved vs the quoted plan

Rs 5,79,103 · Rs 4,73,603 after tax

2.59 mo

of costs kept in the bank

paying cash would leave 1.33

Stopped

fake bank-account email

blocked until a phone check

$0.002

AI cost per full decision

SUSTAINABLE DEVELOPMENT GOALS

8 SDG 8.3

SME growth

Better capital decisions for small manufacturers and exporters

8 SDG 8.10

Access to financial services

A ready term-sheet request to an Islamic bank's SME desk

9 SDG 9.3

Affordable credit for small industry

Surfaces SBP Islamic LTFF that most owners never ask for

All five Financial Operations areas, one flow

✓ **Financial planning**	Every way to pay: PV, after-tax view, cash runway, KIBOR stress test
✓ **Credit & risk**	Islamic LTFF vs Ijarah vs Musharakah, cash-risk check, supplier reputation
✓ **Accounting automation**	Quotation photo → checked data (qty × price vs printed totals)
✓ **Payments**	Installment schedule, upcoming payments, term-sheet request to the bank
✓ **Fraud detection**	“New bank account” check: IBAN, account title, sender domain, urgency

WHO PAYS

SMEs

Monthly plan

Islamic banks

Clean, documented financing requests

Suppliers

Listed in comparisons

Built here, and built to be checked

First commit 10 Oct 2026 · public Git history

- Finance engine in pure TypeScript, no AI
- Every AI task followed by a code check
- Payment-fraud rules
- Spec-checked web search + paste your own link
- Choose any option: memo + bank request follow
- Login, MongoDB data layer, model benchmark

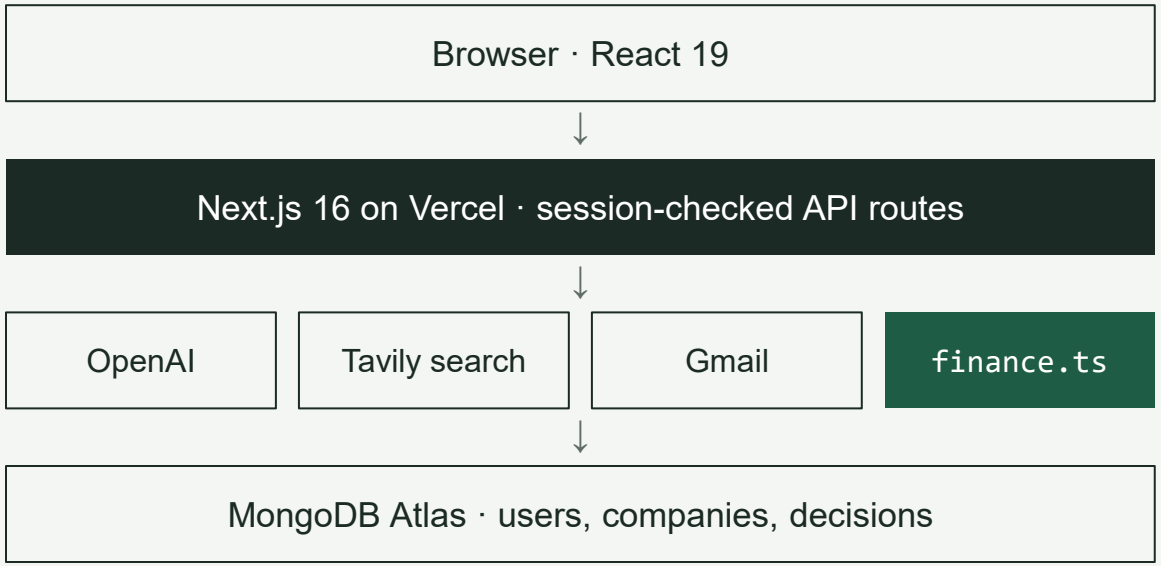

Honest disclosure

Simulated and labelled: the company, supplier names, price benchmark, bank desk.

Real: Jack F5 market prices and product reviews, with links.

Built with AI coding assistants (allowed by the rules).

ARCHITECTURE

194

automated tests

✓ Every number checked against the calculation

Code compares every figure in the AI-written memo with the comparison. “Show calculation” on every row.
